

Chlorine Injectors

(Venturi Nozzles - also called chlorine ejectors or inductors)

All chlorine ejectors are available with multiple nozzle sizes. Nozzle charts are available in the O&M Manual of the appropriate gas or liquid feed system.

Also available for Ammonia and Sulfur Dioxide Feed System

Any questions - please contact us.

EJ-1000-1S

Features

- Self-centering O-ring check valve
- Gas feed of 100 PPD
- 3/4" NPT connections
- Comes standard with Model 500

EJ-1000-DCIS

Features

- Dual Self-centering O-ring check valves
- Gas feed of 100 PPD
- 3/4" NPT connections
- Optional with Model 500

Hydro Instrument (S) Pte Ltd.

EJ-2000-1S / EJ-5000-1S

Features

- Self-centering O-ring check valve
- Gas feed of 250 / 500PPD
- 1-1/4" NPT connections
- Comes standard with Model 200 / 700

EJ-2000-KTIS / EJ-5000-KTIS

Features

- PTFE Teflon Diffuser minimizes/eliminates scaling.
- PVDF Kynar Nozzle
- Self-centering O-ring check valve
- Gas feed of 250 / 500PPD
- 1-1/4" NPT connections

EJO-100CL2-1S

Features

- O-ring style check valve
- Gas feed up to 100 PPD
- 3/4" NPT (or 1" hose) connections
- Comes standard with Series 800 / 300

EJO-100CL2-HPIS

Features

- High Pressure Design (for back pressures up to 300 PSI)
- O-ring style check valve
- Gas feed up to 100 PPD
- 3/4" NPT (or 1" hose) connections
- Optional with Series 800 / 300

Hydro Instrument (S) Pte Ltd.

Email: sales@hydroinstrument-sg.com ; Website: www.hydroinstrument-sg.com

EJO-2501S / EJO-5001S

Features

- O-ring style check valve
- Gas feed up to 250 / 500 PPD
- 1-1/4" NPT connections
- Comes standard with Series 300

EJH-1001S

Features

- Gasket style check valve
- Gas feed up to 100 PPD
- 3/4" NPT (or 1" hose) connections

Hydro Instrument (S) Pte Ltd.

Tel. +65 822-31377 ; Fax. +65 6248-0669

Email: sales@hydroinstrument-sg.com ; Website: www.hydroinstrument-sg.com

HCE-1S Compact Ejector

Features

- Spring loaded ball check valve
- Gas feed up to 100 PPD (10 GPH liquid)
- 3/4" pipe (or 1" hose) connection
- Machined from one piece of PVC rod

EJH-2000-1S

Features

- O-ring style check valve
- Gas feed rates up to 2000 PPD Cl₂
- 2" Van Stone style flanged connections

Hydro Instrument (S) Pte Ltd.

Tel. +65 822-31377 ; Fax. +65 6248-0669

Email: sales@hydroinstrument-sg.com ; Website: www.hydroinstrument-sg.com

EJH-3000-1S

Features

- O-ring style check valve
- Gas feed rates up to 4000 PPD Cl₂
- 3" Van Stone style flanged connections w/ glass filled PVC rings

EJH-3100-1S & EJH-4100-1S

Features

- Variable orifice ejector
- O-ring style check valve
- Gas feed rates up to 10,000 PPD Cl₂
- Van Stone style flanged connections w/ glass filled PVC rings
